SMARTGUARD™

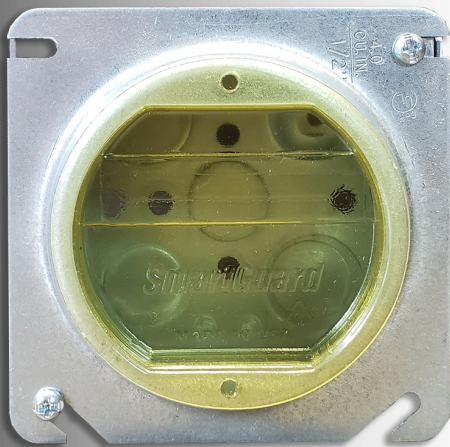

MUD RING COVERS

SmartGuard's™ mud ring covers offer convenient protection for wiring and plug tail applications. Our proven line of commercial mud ring covers feature an easy snap-in fit and protects outlets from drywall products, textures, sanding dust, primers, and paint. Your wiring, box interior, and plug tail systems will remain clean and look brand new.

SAFETY: Covers keep drywall tools and hands from contacting any live wires. Simply remove the cover and get on with a faster and cleaner trim stage.

- Easy snap-fit protection
- Install at rough-in, easy view of wiring.
- Keep boxes clean throughout the construction process.
- Made in the USA.
